etendering@unrwa.org

Timing & Delivery

Tenders must be received before the indicated time and date of Tender Closure at the specified Mailing Address for Tenders. All offers must be valid for the minimum period set out below.

Method of Delivery

All Tenders, whether submitted by hand or sent by mail or fax, must reach the designated Place of Reception of Tender prior to the closure time on the date of Tender Closure specified in the Invitation to Tender.

a. Tenders submitted by hand must be deposited prior to the closure time on the date of Tender Closure at one of the specified Places of Reception designated in the Invitation to Tender.

b. Tenders sent by mail must be posted and received sufficiently in advance to permit delivery prior to the closure time on the date of Tender Closure at one of the specified places of Reception designated in the Invitation to Tender.

c. Tenders sent by facsimile cannot be guaranteed confidentiality. Submission of a tender in such a form is at the tenderer's own risk. Tenders sent by facsimile, must however be clearly marked Confidential, state the Tender Number and be dispatched sufficiently in advance to permit delivery prior to the closure time on the date of Tender Closure at one of the specified Places of Reception designated in the Invitation to Tender. Faxes will be considered as legally binding offers only if they are followed by the receipt of originals, mailed separately prior to the tender closing date, preferably by express courier, duly completed in all respects.

Tenders submitted by hand or mail need to be submitted in one copy only which must be enclosed in a sealed envelope bearing the name of the Tenderer and the Tender number. It is important that envelopes be clearly marked, so that appropriate security measures may be taken to avoid unintentional disclosure of prices.

2. SUBMISSION OF SAMPLES

If you are requested in the covering letter to the tender to submit samples of the items offered, please note that failure to do so may render your bid invalid. Please also note that tender submissions may be forwarded separately from the "sample" and to the official mailing address indicated in the covering letter. However, sample(s) and bids should reach the Chairperson Tender Opening Committee prior to the Tender closure date, otherwise, bid will not be considered. Samples submitted should each be clearly marked with the same item number which is used on the Tender Form. "Sample" packaging must be clearly marked SAMPLES with the Tender number and the tenderer's name etc.

3. COMPLETION OF TENDER FORM

Prices quoted

Offers of discount for prompt payment will be a consideration in award of contracts. Tenders must state if prices quoted include duty or are free of duty.

Currency

The currency of the quotation should preferably be in US Dollars. However, if other currencies are used, they should be clearly indicated. i.e. Swedish Kroner, Euro, Canadian Dollar, LBP etc.

Packing

Packing shall be of International Standard strong quality and suitable for shipment to tropical areas. Tenders must stipulate the type of Packing proposed to use. (See Article 3 of the General Conditions of Contract). Package markings shall be as desired by UNRWA.

Origin, Quantities, Quotations

The country of origin of the items tendered must be clearly stated. As far as possible, tenders should be for the full UNRWA quantity requirement. Quotations for only some of the items shown on the Tender Form, however, may be submitted. The Tender Form must be completed in all other respects. When bids for particular items are not submitted, this should be clearly indicated on the Tender Form; i.e. a line should be drawn through those items on the Tender Form. Explanations, which may be deemed necessary, should be clearly set out and will be considered as an integral part of the Tender.
Presentation
Quotations should be typewritten; if handwritten they should be clearly legible. Prices entered in lead pencil will not be considered. All erasures, amendments or alterations must be initialed by the Tenderer. Do not submit blank pages of the Tender Form and/or schedules which are unnecessary for your offer.
