Question 11

“Can you provide me with the specifications of these items:
- Hanger for alcohol hand rub sanitizer
- Hanger for liquid soap hand wash “

Answer 11:
The hanger should match with the size of hand sanitizer and soap that bidders are providing.

Question 12

“Can we supply partial quantities per location?”

Answer 12:
Yes, vendors may supply partial quantities per locations.

Question 13

” In order to secure available stock we need to know how long will it take you to finalize the tender and announce of the successful bidder/s and issuing a PO?”

Answer 13:
Noting the urgency of the requirements in support of field operations, UNRWA will do its utmost to expedite the procurement process and issue resulting award(s).
Question 14

“Will an upfront payment when issuing a PO will be aloud?”

Answer 14:

Upfront payments are not envisaged at this stage.

Question 15

“Please advise if we can provide an offer for Jordan only, and if this is a turnkey project or not…”

Answer 5

For local supplier in Jordan, a separate tender “Invitation to Bid # COVID-19-JFO-PPE & Hygiene Products - For Local Suppliers in Jordan only” was issued to cover the Jordan requirements. Bidders located in Jordan are encouraged to submit a bid to this local tender on DAP basis for deliveries to Jordan. Please visit the below links:

https://www.unrwa.org/procurement/tenders
https://www.ungm.org/UNUser/Notice/105961

Question 16

“Is it possible to provide more than one quote (Alternatives) for the same item?”

Answer 16

Bidders may submit more than one quote (Alternatives), but shall make sure that the alternatives comply with UNRWA’s specifications.

Question 17

“we would like to know if it is mandatory to bid for all the different countries.”

Answer 17

No, it is not mandatory, but the bidders are encouraged to bid for all the different countries.
