UNRWA is launching the #DignityIsPriceless Global Campaign in response to the unprecedented funding reductions by the U.S. Government. At this crisis moment, Palestine refugees deserve our collective solidarity to protect their dignity by providing emergency food assistance to the most vulnerable, and by not disrupting the education of their children and healthcare for families.

Millions of vulnerable Palestine refugees are at risk of losing life-saving assistance. At a time of major political upheavals in the Middle East, this abrupt decision exposes Palestine refugees to further suffering, instability and violations of their human rights.

What's at Stake

- Access to basic education for **525,000** boys and girls at one of the over **700** UNRWA schools.
- Emergency food and cash assistance to **1.7** million extremely vulnerable Palestine refugees.
- Access to primary health care, including pre-natal care, for families.
- Dignity and human security for **5.3** million refugees who endured 70 years of injustice and uncertainty.

UNRWA is determined to stand with Palestine refugees in the West Bank including East Jerusalem, Gaza, Syria, Lebanon and Jordan. Together, we must keep schools and clinics open, emergency food and cash distribution system intact.
