- * All visitors are kindly advised to follow public health advice, including advice on social distancing, wearing masks, and regular hand sanitizing.
- * Agenda is subject to change depending on epidemiological situation in the country, its associated government instructions and any other concerns if they may arise
- * Weather forecast shows that it would rain on 1st December at low temperature. Once it rains heavily, the camp is likely to have some ponds. Participants are highly recommended to do necessary preparations, including wearing suitable clothes, shoes and bringing an umbrella.
