UNRWA is a United Nations agency established by the General Assembly in 1949 and is mandated to provide assistance and protection to registered Palestine refugees. Its mission is to help Palestine Refugees in Jordan, Lebanon, Syria, West Bank and the Gaza Strip to achieve their full potential in human development, pending a just solution to their plight. UNRWA services encompass education, health care, relief and social services, camp infrastructure and improvement, microfinance and emergency assistance. UNRWA is funded almost entirely by voluntary contributions.
