

syria regional crisis appeal funding status 2016-2018

In 2018, UNRWA was confronted with an unprecedented financial crisis and faced major challenges in securing the resources needed to provide humanitarian assistance to Palestine refugees in Syria and those in the region affected by the conflict.

Only 22.2 per cent, or approximately US\$ 73 million of the US\$ 329 million appealed for under the 2018 UNRWA Syria Regional Crisis Emergency Appeal was funded. This is a significant decrease from 2017, when the appeal was 43 per cent funded.

UNRWA programmes in Lebanon were also supported by an additional US\$ 26.5 million through project funds. This affected services to PRS in Lebanon.

unrwa technical and vocational education and training youth programme

- 882 students enrolled in tvet training centres
- 78 per cent employment rate among TVET graduates
- 88 per cent pass rate in graduation examinations
- 43 percentile among community colleges
