**General conditions:**

- Quantities in the tenders are approximate and liable to change . UNRWA is not bound to purchase all the quantities stated in the tenders.
- Offers must be valid for one year.
- UNRWA will request quantities as and when needed during the contract period.
- The contractor is bound to deliver the required items any time during the contract period.
- The agreement will be for one year and may be extended if mutually agreed
- Any commitment to purchase the goods will be only when UNRWA issues a purchase order under the terms of this agreement
- Samples or catalogues should be submitted not later than the tender closing date.
- UNRWA General Conditions are considered an essential part of any contractual agreement related to this ITB.
- Delivery date and location should be clearly specified in the bid.
- In case suppliers do not deliver on time, UNRWA reserves the right to secure the goods from other sources at supplier's expense.
- Prices must be in USD and excluding VAT.
